SOCIAL EVENTS

Mrs. George L. Cox and Miss Cox gave a charming tea yesterday complimentary to their guest, Mrs. Thomas H. Paynter. Their handsome home, the scene of so much hospitality, was thronged between the hours of 2 and 4 and the delightful informality of the occasion assured the pleasure of the guests.

Mrs. Paynter's cordial manner won friends immediately and it is hoped this visit is a happy herald of others. Senator Paynter joined the ladies before the close of the afternoon and by his genial presence attributed much to the occasion.

Mrs. Albert, Mrs. George Barbour and Miss Mary Alter Barbour assisted at the tea table.

"There were sounds of revelry by night,
And all Heiligen's capital were there."

The reception accorded Senator-elect and Mrs. Thomas H. Paynter by Maysville Commandery No. 10, K. T., last evening was an unqualified success.

All the elements necessary to the success of such a function were in evidence.

At 8:30 o'clock the doors of the Asylum were thrown open and the reception was on.

Just to the right of the entrance in a semi-circle stood the Reception Committee in the following order: Rev. F. W. Harrop, Sir Knight Robinson, Senator-elect and Mrs. Paynter, Sir Knight and Mrs. Thomas A. Keith, Senator and Mrs. William H. Cox, Major and Mrs. Thomas J. Chenoweth, Sir Knight and Mrs. S. P. Browning, Sir Knight and Mrs. R. B. Owens, Sir Knight and Mrs. J. D. Dye, Sir Knight and Mrs. John C. Everett, Sir Knight and Mrs. John L. Winter and Sir Knight and Mrs. James W. Fitzgerald.

The Sir Knights were garbed in the full regalia of the Order, lacking the chapeau, and the ladies of the reception line were gowned as given below.

Sir Knight Eugene A. Robinson introduced the guests of honor in his usual graceful manner, and it was certainly a brave heart that "ran the gauntlet" of hardened wit without quaking.

It was ten o'clock before the reception line was broken. In the interim, however, Webber's Orchestra of Cincinnati was dispensing strains from Tannhauser and other operas, thereby making the picture one of beauty, life and color.

Soon the tempting strains of a dreamy waltz were floating through the air and feet that could no longer be restrained were at once in motion, and not until 1 o'clock did the dancing cease.

Those fatigued by the dance found refreshment at the punch bowl in the Blue Room, presided over by Mrs. Lewis M. McCarthy and her charming aides, Miss Sarah Ball and Miss Sarah Whitaker.

Long will the pleasure of the evening remain in the mind of those who were fortunate enough to receive an invitation.

The ladies present were costumed as follows:

Mrs. Thomas H. Paynter, the guest of honor, was very becomingly gowned in Dresden silk, point lace and diamonds, and carried a shower bouquet.

Mrs. Robert H. Owens, Persian lawn; pearls, Mrs. Thomas A. Keith, Persian net, point lace; diamonds.

Mrs. S. Pearce Browning, flowered net over blue silk.

ROMEO AND JULIET

It has been a long time since Shakespeare's immortal tragedy of love and passion, "Romeo and Juliet," has been seen in Maysville. Tonight at the Washington Theater you will have the opportunity of seeing "Romeo and Juliet" presented by a good company headed by Darrel Vinton as Romeo and Miss Elizabeth King as Juliet, with scenic accessories and beautifully costumed. Lovers of legitimate drama will enjoy this presentation and regular patrons should relish the chance. Secure your tickets now at Ray's.

A resolution introduced in the House at Frankfort Wednesday by Representative Wilt of Fleming county calls attention to the fact that during the fiscal year ending June 30th, 1905, there were issued in Kentucky 2,382 licenses for selling liquor in the state, and that during the same period there were issued by the Federal Government 1,964 more licenses for selling liquor than by the state, thereby depriving the state of revenue amounting to \$150,000. The resolution calls the attention of the Auditor to the facts and recommends that such action be taken as may be legal and proper for the collection of this revenue.

EDITORS' MEETING

Ninth District Boys in Session Yesterday in This City

At the solicitation of Colonel James M. Allen of the Cynthiana Democrat, a meeting of the Newspapermen of the Ninth Congressional District was held yesterday forenoon at the New Central.

The purpose was for the organization of a Ninth District League, and co-operation for the elevation and betterment of newspaper conditions.

A temporary organization was effected by the choice of Colonel Allen for President and John W. Powling Secretary.

After a general interchange of ideas, the meeting adjourned until Saturday, March 10th, at 10 a. m., at which time another will be held at the New Central in this city when it is hoped a permanent organization will result.

Those present were—J. M. Allen, Cynthiana; John W. Powling, Dr. N. H. McNew and S. W. Keller, Carlisle; J. Elgin Anderson, Dover; T. H. Bell, Germantown; William Wilt, Flemingsburg; J. D. Wyatt, Ewing; Blackerby and Thompson, Brooksville; A. D. Miller, Richmond; R. R. Perry, Winchester; Thomas A. Davis and John J. Altmyer, Maysville, with J. C. Newcomb of Ripley, O., as a visitor.

MOTHERS OF MAYSVILLE

Are Your Children Thin, Puny and All-
ing? If So Read This.

Vinol will make children strong, robust and rosy or we return your money.

Is there a mother in Maysville who will ignore such a generous offer as this? You risk not one cent. We pay for all the Vinol your child takes if it does no good.

There are plenty of children all around us who are thin, puny, ailing and tired all the time. Don't want to do this, and don't want to do that. Do not blame the children; they have no strength, no blood, no vitality; rapid growth takes all their strength.

Vinol is just what your child needs. It is a delicious cod liver oil preparation, and children love it. It creates strength, makes rich, red blood and vitality as nothing else can, and after a severe sickness there is nothing that will build your child up like Vinol.

The following letter is only one of hundreds which we have received from mothers telling what Vinol has done for their children.

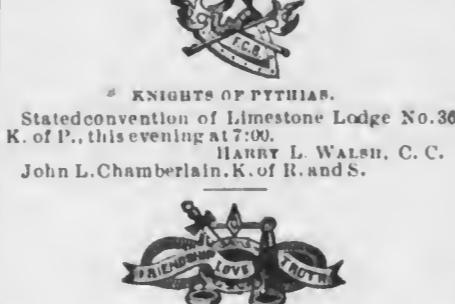

Mrs. E. M. Oswalt of Mansfield, Ohio, writes: "My little daughter became so poorly that I was obliged to take her from school. She was thin, no appetite, tired all the time and weak. We had tried several medicines without benefit. Since taking Vinol, however, she is as well as ever; she has gained in flesh, has rosy cheeks and good appetite and is going to school every day."

We want to say to every mother in Maysville that Vinol will build your little ones up into strong, robust, healthy children. We have never sold anything equal to it in our store for this purpose, and we will return your money if it fails. Join C. Pecot, Druggist.

and he says he loved Mr. Lincoln for he was so kind to him. In fact, he always looks up a Kentuckian to say something good about the President whom the whole Nation loved, honored and obeyed.

The question of a change in the Pension Agency at the end of Colonel Wood's term has taken a quarrel, and on all sides you hear words of good cheer for Colonel Tom Davis, the soldier boy of Mason. His bright editorial work and his faithful party service, coupled with his fearless pen in defense of right, has won for him friends that are now willing to see to it that he is recognized. Colonel Wood has made a splendid Pension Agent, but the old soldiers have sent out the alarm and "at taps" when the bugle blasts for Mr. Wood's retirement, Colonel Davis will answer to rollcall and be marked present for service in Uncle Sam's political vineyard.

The name of Hon. William H. Cox "sounds good" to those who know his worth to the party. Nothing would give the writer more pleasure than to vote for Mason's gifted son for Governor. The Kentucky colony here will return in a body to show by their acts that with Senator Cox in the saddle, they believe they can win the race, and redeem the Bluegrass State from Beckham, Hale, Hager and China Rule. Here's to you, Senator, hoping you will enter the race.

Affairs in the Government Printing Office are somewhat torn up. The new Public Printer has issued a great many new orders, in fact, more "general orders" than Sherman or Grant either issued during their entire service for their country's cause. But it is thought that there will be few, if any, changes. The bindery men suffer, but the compositors have all the work they can do, and when Congress adjourns there will be lots of work and things will settle down to their normal stage.

There has been a great deal written about President Lincoln, and all Kentuckians love his memory, but few know that his coachman is still living and well and hearty. His name is Hawkins, and he is of the old Virginia stock of darkies, polite and accommodating. He is at present holding down a minor place in the Government Printing Office. He has driven every President from Lincoln down to McKinley, and has many pleasant stories he relates of the "doings" of "bygone days" at the White House. Few of his race are better posted and he is a constant reader. There is nothing escapes him,

fill the place. Mr. Hall has made an ideal servant for the people, and your correspondent in conversation with a Postoffice official here learned that his office was way up in the list of well-kept, good rating class of officers.

HOSPITALS CROWDED

MAJORITY OF PATIENTS WOMEN

Mrs. Pinkham's Advice Saves Many From this Sad and Costly Experience.

It is a sad but certain fact that every year brings an increase in the number of operations performed upon women in our hospitals. More than three-fourths of the patients lying on those snow-white beds are women and girls who are awaiting or recovering from operations made necessary by neglect.

Every one of these patients had plenty of warning in that bearing down feeling, pain at the left or right of the abdomen, nervous exhaustion, pain in the small of the back, pelvic catarrh, dizziness, flatulence, displacements or irregularities. All of these symptoms are indications of an unhealthy condition of the female organs, and if not headed the trouble may make headway until the penalty has to be paid by a dangerous operation, and a lifetime of impaired usefulness at best, while in many cases the results are fatal.

Miss Luella Adams, of Seattle, Wash., writes:

"About two years ago I was a great sufferer from a severe female trouble, pains and headaches. The doctor prescribed for me and finally told me that I had a tumor and must undergo an operation if I wanted to get well. I felt that this was my death warrant, but I spent hours and days doing for medical help, and the tumor kept growing. Fortunately I corresponded with an aunt in the New England States, and she advised me to take Lydia E. Pinkham's Vegetable Compound, as it was said to cure tumors. I did so and immediately began to improve in health, and I was entirely cured, the tumor disappearing entirely, without air operation. I wish every suffering woman would try this great preparation."

Just as surely as Miss Adams was cured of the troubles enumerated in her letter, just so surely will Lydia E. Pinkham's Vegetable Compound cure other women who suffer from female troubles, inflammation, kidney troubles, nervous excitability or nervous prostration.

Mrs. Pinkham invites all young women who are ill to write her for free advice. She is daughter-in-law of Lydia E. Pinkham and for twenty-five years has been advising sick women free of charge. Address, Lynn, Mass.

To the citizens of Maysville and the White Burley Tobacco District, and especially to the newspapers of Maysville and a very large section of Kentucky and Ohio, the Board of Trade wishes to return thanks for the hearty support received in making the Seventh Annual Tobacco Fair a grand success, which it has proven to be. This shows what can be done by a concert of action. The large crowds which were present yesterday is a positive proof that judicious advertising, and a conscientious desire to make good the promises made in same, will bring the desired results.

Thanking everybody for their co-operation, I remain very truly yours, BOARD OF TRADE, By John Duley, President.

INVOLUNTARY BANKRUPTCY

Petition Filed in the Federal Court at Covington

An involuntary bankruptcy petition against William Davis, coal dealer of this city, was filed in the United States District Court at Covington. The creditors allege in the petition that a transfer of the entire business, together with the horses, wagons, etc., was made by Mr. Davis to his son, but was not recorded on the books. The other creditors claim that this action is an act in bankruptcy and ask that Mr. Davis be declared bankrupt in order that their claims may be satisfied. The creditors and the amounts which they claim are—

COULD NOT REST NIGHT OR DAY

With Irritating Skin Humor—Whole Body Affected—Scalp Itched All the Time and Hair Began to Fall Out—Wonderful Result From

APPLICATION OF CUTICURA REMEDIES

"I am never without Cuticura Soap and Cuticura Ointment since I tried them last summer. About the latter part of July my whole body began to itch. I did not take much notice of it at first, but it began to get worse all the time, and then I began to get uneasy and tried all kinds of baths and other remedies that were recommended for skin humors; but I became worse all the time. My hair began to fall out and my scalp itched all the time. Especially at night, just as soon as I would get in bed and get warm, my whole body would begin to itch and my finger nails would keep it irritated, and it was not long before I could not rest night or day. A friend asked me to try the Cuticura Remedies, and I did, and the first application helped me wonderfully. For about four weeks I would take a hot bath every night and then apply the Cuticura Ointment to my whole body; and I kept getting better, and by the time I used four boxes of Cuticura I was entirely cured, and my hair stopped falling out, but I continue to use the Cuticura on my scalp. It keeps all dandruff out and scalp is always clean. I always use Cuticura Ointment on my face after shaving, and have found nothing to equal it. I will never be without it." D. E. Blankenship, 319 N. Def. St., Oct. 27, 1905. Indianapolis, Ind.

RECOMMENDED TO ALL MOTHERS

"I have used Cuticura Ointment for chafing of infants, and as they grew older all skin diseases were given treatment with that and the Cuticura Soap. I never found it necessary to call a doctor, as these Remedies are a sure cure, if used as directed. I am glad to recommend them to all mothers." Sincerely yours, Mrs. F. A. Kennard, June 21, 1905. 105 S. Park Park, Minn. Cuticura Soap, Ointment, and Cream are throughout the world. Postage Free. "How to Care for the Skin."

The deeds of Doan's Kidney Pills.

For Maysville kidney sufferers, have made their local reputation. Proof lies in the testimony of Maysville people who have been cured to stay cured.

John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 at J. James Wood & Son's Drugstore, and they stopped an attack of hackache, one of many which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciated the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with hackache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."
